

Inae Guion

The winner of this prize will have the unique opportunity to have a 30-minute, private Zoom call with a biologist and visual storyteller! **Inaê Guion** focuses on the intersection between nature, humans and conservation. In pursuit of raising awareness for environmental issues she infuses her passion for arts and the great outdoors into her work as a scientist. With over a decade experience as a research scientist, field explorer and photographer she addresses topics on wild animal conservation, human-wildlife coexistence, traditional cultures, natural resources exploitation and climate change. This is your chance to ask Inae anything you like about her amazing work all over the world!
